

Scoring Rubric

For use on Pretest, Quiz, and Posttest items

- 4- Correct answer and units** – Correct reasoning, units, and answer. (meets expectations at an advanced level)
- 3- Minor error/nearly correct** – Missed units or minor computational or reasoning errors. Showed reasoning that would lead to the answer. (meets expectations)
- 2- Multiple errors/partially correct** – Good reasoning with multiple errors *or* reasoned correctly to work part of the problem. (does not meet expectations)
- 1- Attempted** – Answer attempted with very little progress toward the answer. Incorrect reasoning.
- 0- No attempt** – blank paper
