

## Domains and Conceptual Categories in the CCSSM

11 Domains in K-8    6 Conceptual Categories in High School

| Kindergarten                            | 1st Grade | 2nd Grade | 3rd Grade                            | 4th Grade | 5th Grade | 6th Grade                                  | 7th Grade | 8th Grade     | High School         |
|---|-----------|-----------|--------------------------------------|-----------|-----------|--|-----------|---------------|---------------------|
| Counting and Cardinality (CC)           |           |           |                                      |           |           |  |           |               |                     |
| Operations and Algebraic Thinking (OA)  |           |           |                                      |           |           |  |           |               |                     |
| Number and Operations in Base Ten (NBT) |           |           |                                      |           |           |  |           |               |                     |
| Measurement and Data (MD)               |           |           |                                      |           |           |  |           |               |                     |
| Geometry (G)                            |           |           |                                      |           |           |  |           |               |                     |
|   |           |           | Number and Operations—Fractions (NF) |           |           |  |           |               |                     |
|   |           |           |                                      |           |           | Ratios and Proportional Relationships (RP) |           |               |                     |
|   |           |           |                                      |           |           | The Number System (NS)                     |           |               |                     |
|   |           |           |                                      |           |           | Expressions and Equations (EE)             |           |               |                     |
|   |           |           |                                      |           |           | Statistics and Probability (SP)            |           |               |                     |
|   |           |           |                                      |           |           |  |           | Functions (F) |                     |
|   |           |           |                                      |           |           |  |           |               | Number and Quantity |
|   |           |           |                                      |           |           |  |           |               | Algebra             |
|   |           |           |                                      |           |           |  |           |               | Modeling*           |

\*Modeling standards appear throughout the high school standards indicated by a star symbol (★).
