This conference is organized by the publisher OMICS. Do you know of other publishers that organize conferences?

OMICS Group invites all the participants across the globe to attend the **2<sup>nd</sup> International Summit on Toxicology** during October 07-09, 2013 at Hampton Inn Tropicana, Las Vegas, USA.

The **International Toxicology Summit & Expo** which was held at Hilton San Antonio Airport, USA in November, 2012 brought together researchers from various institutions, exclusive group of Scientists, Academicians, Corporate Managers, Lab Directors and Decision Makers from all corners of the Pharma, Biotech and Health Care industries. **Toxicology-2012** opened new ideas and introduced modern techniques involved in the field of Toxicology.

The **2<sup>nd</sup> International Summit on Toxicology** will schedule and coordinate all meetings with our Editorial Board Members and other experts in the field of Toxicology across the world. The scientific program paves a way to gather visionaries through the research talks and presentations and put forward many thought provoking strategies.
