

Applied Representational Analysis

Third Essay Assignment

Upload on WesternOnline by November 27 at 5:30 p.m. for Section 44 and by November 29 at 5:30 p.m. for 43. Five double-spaced, paginated pages.

Expand the discussion started in the first and second drafts by bringing in a minimum of three outside sources, besides Paolo Friere's "The 'Banking' Concept of Education," into the conversation. These sources can include our readings, or can be located independently by the student. They should work to strengthen the argument presented in the second draft.

This assignment asks you to apply the critical source material in elaborating a critical perspective on your education and on education in general.

In-text and end-of-text citation, formatted in MLA style, is required.
