Susie Asado

1912

Sweet sweet sweet sweet sweet tea.

Susie Asado.

Sweet sweet sweet sweet sweet tea.

Susie Asado.

Susie Asado which is a told tray sure.

A lean on the shoe this means slips slips hers.

When the ancient light grey is clean it is yellow, it is a silver seller.

This is a please this is a please there are the saids to jelly. These are the wets these say
the sets to leave a crown to Incy.

Incy is short for incubus.

A pot. A pot is a beginning of a rare bit of trees. Trees tremble, the old vats are in
bobbles, bobbles which shade and shove and render clean, render clean must. Drink
pups.

Drink pups drink pups lease a sash hold, see it shine and a bobolink has pins. It shows a
nail.

What is a nail. A nail is unison.

Sweet sweet sweet sweet sweet tea.

One whom some were certainly following was one who was completely charming. One
whom some were certainly following was one who was charming. One whom some
were following was one who was completely charming. One whom some were following
was one who was certainly completely charming. Some were certainly following and
were certain that the one they were then following was one working and was one
bringing out of himself then something. Some were certainly following and were certain
that the one they were then following was one bringing out of himself then something
that was coming to be a heavy thing, a solid thing and a complete thing. One whom
some were certainly following was one working and certainly was one bringing
something out of himself then and was one who had been all his living had been one
having something coming out of him. Something had been coming out of him, certainly
it had been coming out of him, certainly it was something, certainly it had been coming
out of him and it had meaning, a charming meaning, a solid meaning, a struggling
meaning, a clear meaning. One whom some were certainly following and some were
certainly following him, one whom some were certainly following was one certainly

working. One whom some were certainly following was one having something coming out of him something having meaning and this one was certainly working then. This one was working and something was coming then, something was coming out of this one then. This one was one and always there was something coming out of this one and always there had been something coming out of this one. This one had never been one not having something coming out of this one. This one had been one whom some were following. This one was one whom some were following. This one was being one whom some were following. This one was one who was working.
