

Dear Alumni and Friends,

The 2011 WIU Alumni Council, along with the WIU Foundation, approved the establishment of a fund and a committee of council members to oversee improvements to OUR Alumni House. Our immediate goal is to start Phase 1 which is the lower landscaped wall with WESTERN on the front. The estimate is approximately \$25,000-\$30,000, to be completed by Homecoming 2012.

We wanted to pass on to you the opportunity to give back should you wish to make a donation towards the cause for an eligible tax deduction. The committee has discussed these specifics for donations.

- Allow our fellow alumni, past council members, and whomever the opportunity to participate and share in the results and recognition
- Establish levels of giving

BRONZE CLUB \$500

SILVER CLUB \$1000

GOLD CLUB \$2500

DIAMOND CLUB \$ 5000

PLATINUM CLUB \$10,000 OR ABOVE

- Any club amount could be paid over time with a minimum of \$500 to get some type of recognition, either on a brick or plaque - specifics will be announced soon.

This donation is not to compete with or replace any other WIU cause you may currently support. This is for our ALUMNI HOUSE where all WIU alumni today and tomorrow gather.

Sincerely,

Members of the WIU Alumni Council
