

Western Illinois University – School of Agriculture
AGTM 472: Agricultural Analysis & Decision-Making (3)
Course Syllabus – Spring 2024 “Subject to Change”

Course Meets: M/W 9:00 – 9:50 am in KH 307 T 8:00 – 9:50 am in KH 307/KH 106
Required Text: TBD
Instructor: **Dr. Daniel Atherton** **E-mail: DL-Atherton@wiu.edu**
Office: B 22 Knoblauch Hall **Office Phone:** 309-298-2395
Office Hours: M / W: 10:00 - 10:50 am; T: 10:00 – 11:50 am or by appointment

Course Description: Course presents methods for analysis of agricultural data to facilitate data-driven decision making for precision agriculture. Some topics include: map scale and projection, coordinate systems, soil nutrient maps, yield maps, interpolation and analysis methods, and creation of prescription maps.

Course Objectives:

- Identify principles of GPS including factors affecting accuracy and differential correction for GPS
- Distinguish principles of map scale and projection and coordinate systems
- Recognize methods for taking soil samples for development of soil nutrient maps
- Discriminate dataset analysis techniques like indices, principal component analysis, and cluster analysis
- Analyze ag. data using applications like Farmworks or IFARM to make sound, data-driven decisions
- Formulate standard and custom prescription maps to vary inputs according to decisions made

Attendance: If at any time you miss the lecture or lab, please use the OARS system to report your absence (www.wiu.edu/oars). I will need the email generated from this system prior to class and not after. If I receive the email after class has ended then the late grade policies come into effect. It is the student’s responsibility to coordinate with the instructor to make up missed work. Quizzes may be given at any time and no makeup quizzes will be given unless the instructor approves the absence prior to missing class.

Academic Dishonesty: <http://www.wiu.edu/policies/acintegrity.php>

Any violation of the Academic Dishonesty Policy in Student Handbook will result in an automatic failure in the course. Plagiarism and cheating are areas of concern for this course. This course is designed to enhance your writing and presentation skills within your academic area, not the ability to copy other’s thoughts and ideas.

Quality of Work Policy: All assignments should be word processed with title of assignment, name, date, and a summary of the assignment included at the beginning of the assignment. Run spell-checker. If completing multiple-step problems, show all work. Your work should be neat and orderly.

Students Rights and Responsibilities: <http://www.wiu.edu/provost/students.php>

Attention Education Majors: The changes within the state teaching license require all education majors to receive a grade of a "C-" or better in this course in order to meet Illinois teaching license requirements. With the university +/- grading system, receiving a "D+" or below will require you to retake this course or find a substitute course to meet School of Agriculture graduation requirements.

Assessment and Grading: Your final grade is based on your overall weighted percent of the following:

<u>Component</u>	<u>Percentage</u>
Exam 1	10%
Exam 2	15%
Exam 3	15%
Final Exam (Comprehensive)	30%
Quizzes	5%
Labs	10%
Class participation	15% (Participation includes attendance)

Grading Scale

A	93 – 100%	A-	90 – 92%	B+	87 – 89%	B	83 – 86%
B-	80 – 82%	C+	77 – 79%	C	73 – 76%	C-	70 – 72%
D+	67 – 69%	D	63 – 66%	D-	60 – 62%	F	< 60%

Final Grades: Unless a computational error was made, grades will not be changed after the end of the semester. Please do not come to the instructor with “extenuating circumstances” for why your grade should be changed – the semester grade represents the level of work you completed over the semester.

Late Assignments: No late assignments will be accepted unless instructor approves of turning in an assignment late prior to assignment’s due date. Assignments will be due at the beginning of class on their due date. Hand written assignments will not be accepted unless instructed otherwise. Assignments will be 12 point font with 1” margins. Points will be deducted for incorrect spelling and grammar.

Policy on Student Absences: Absence from class will be considered excused if the absence is (1) due to a required isolation or quarantine based on a (2) documented directive from a public health official or health provider, and (3) if the instructor of record receives notification through WIU Student Services. The student (4) remains responsible for contacting instructors to arrange to complete missed work as soon as possible and is (5) ultimately responsible for material covered in class.

Policy on Disruptive Students: Students will face disciplinary action if they are found to be non-compliant with WIU’s COVID-19 Health and Safety Policy (http://www.wiu.edu/policies/covid_safety.php). Non-compliance may be considered disruptive student behavior and disciplinary action will follow general process outlined in disruptive student behavior procedures (<http://www.wiu.edu/policies/disrupst.php>) and/or other applicable enforcement measures applicable to the Code of Student Conduct.

Disruptive Student Behavior: <http://www.wiu.edu/vpas/policies/disrupst.php>

Students with disabilities: In accordance with University values and disability law, students with disabilities may request academic accommodations where there are aspects of a course that result in barriers to inclusion or accurate assessment of achievement. To file an official request for disability-related accommodations, please contact Disability Resources in the Student Development and Success Center at 309-298-1884, disability@wiu.edu, or in 125 Memorial Hall. Please notify the instructor as soon as possible to ensure that this course is accessible to you in a timely manner.

Professional Learning Environment: Please be respectful of your fellow students and the instructor and do your part to maintain the professional learning environment of this course. **Please silence your cell phones. Avoid texting during class.** Individual disruptions, such as **entering the classroom late, allowing your cell phone to ring audibly, engaging in unrelated activities** (e.g., **texting or surfing the web**) during class time, or **packing your belongings before class ends**, distract other students and detract from the quality of the learning environment for the whole class. **Infractions will be noted and your class participation grade will suffer.** The instructor reserves the right to ask for cell phones to be returned to students after the class period or to remove from group work a student who is demonstrating inadequate levels of participation.

Military/Veteran Support Statement: As a military-friendly institution, and in accordance with federal regulations and Illinois statutes, Western Illinois University has established *policies* and procedures to accommodate military service students. In addition to the supports available at WIU's Veterans Resource Center (wiu.edu/student_success/veterans/ / 309-298-3505), veterans, members of the National Guard or Reserves, and active-duty military personnel with military obligations (e.g., deployments, trainings, drill) are encouraged to communicate these, in advance whenever possible, to the instructor. The Military Service *Policy* can be found at <http://www.wiu.edu/policies/military.php>

GenAI Partially Permitted Course: The use of genAI tools like ChatGPT for some course deliverables are welcome with professor's prior approval. However, please note that this must be explicitly disclosed after the conclusion of each assignment as follows: "This paper/take-home exam was completed with the assistance of [genAI tool] in the following ways: [outlining/drafting/polishing/etc]." In making all such submissions, students affirm that they have used genAI to expand rather than replace learning; that they have fact-checked its compositions; that they have protected privacy and intellectual rights of all members of our learning community; that they accept full responsibility for all elements of their submission; and that they are prepared to provide complete records of genAI usage via screenshots showing date/time.

University values, Title IX, and other federal and state laws prohibit sex discrimination, including sexual assault/misconduct, dating/domestic violence, and stalking. If you, or someone you know, has been the victim of any of these offenses, we encourage you to report this to the Title IX Coordinator at 309-298-1977 or anonymously online at: http://www.wiu.edu/equal_opportunity_and_access/request_form/index. If you disclose an incident to a faculty member, the faculty member must notify the Title IX Coordinator. The complete Title IX policy is available at: <http://www.wiu.edu/vpas/policies/titleIX>.

Tentative Schedule * Scheduling and weekly topics are subject to change at instructor's discretion *****

Dates	Topics
Week 1	Holiday – No Class; Course Intro., requirements; Unit Conversions
Week 2	Unit Conversions; Ag Statistics
Week 3	Ag Statistics
Week 4	Ag Statistics; Exam 1 Review
Week 5	Holiday – No Class; Exam 1; Advanced Ag Statistics
Week 6	Advanced Ag Statistics; Ch. 5 – F/W software (Tues.)
Week 7	Accuracy Assess. & Ch. Det.; Ch. 5 – F/W software (Tues.)
Week 8	Adv. Supervised & Unsupervised; Ch. 5 – F/W software (Tues.)
Week +	Spring Break – No Class
Week 9	Adv. Supervised & Unsupervised; Exam 2 Review; Ch. 5 – F/W software (Tues.)
Week 10	Exam 2; Ch. 5 – F/W software (Tues.)
Week 11	QGIS
Week 12	QGIS
Week 13	DSSAT
Week 14	DSSAT
Week 15	Review for Exam 3; DSSAT; Exam 3

Final Exam – KH 307, Wednesday, May 8th 8:00 – 9:50 am
