Attendance: ATTENDANCE IS A MUST!!!!!!! We are professionals! Students must be prepared to interact, analyze, and discuss topics relating to course assignments. Absenteeism will impede your success on assessments and course assignments. The course is centered around classroom assignments, activities, and classroom lecture.

Late assignments will be deducted 5 points a day starting at the end of the class period for which it was due until it is zeroed out. Assignments will **not** be hand written unless instructed otherwise! Assignments will be written as a Word document with 12-point font and 1” margins. Spelling and grammar are critical.

Please turn off or silence cellular phones and no texting during class time or the instructor may ask for it to be returned to the student after the class period! If you need to take a call, step out into the hallway and return to class.

Student Rights & Responsibilities: <http://www.wiu.edu/policies/sturesp.php>

Conceptual Framework: <http://www.wiu.edu/coehs/tpep/overview/framework.php>

Equal Opportunities Statement:

University values, Title IX, and other federal and state laws prohibit sex discrimination, including sexual assault/misconduct, dating/domestic violence, and stalking. If you, or someone you know, has been the victim of any of these offenses, we encourage you to report this to the Title IX Coordinator at 309-298-1977 or anonymously online at: http://www.wiu.edu/equal_opportunity_and_access/report.php. If you disclose an incident to a faculty member, the faculty member must notify the Title IX Coordinator. The complete Discrimination, Harassment, and Sexual Misconduct Policy is available at: <http://www.wiu.edu/policies/dhsm.php>.

Military/Veteran Support Statement:

As a military-friendly institution, and in accordance with federal regulations and Illinois statutes, Western Illinois University has established policies and procedures to accommodate military service students. In addition to the supports available at WIU’s Veterans Resource Center (www.wiu.edu/student_success/veterans / 309-298-3505), veterans, members of the National Guard or Reserves, and active-duty military personnel with military obligations (e.g., deployments, trainings, drill) are encouraged to communicate these, in advance whenever possible, to the instructor. The Military Service Policy can be found at <http://www.wiu.edu/policies/military.php>

Academic Dishonesty:

Any violation of the Academic Dishonesty Policy in Student Handbook will result in an automatic failure in the course. Plagiarism and cheating are areas of concern for this course. This course is designed to enhance your writing and presentation skills within your academic area, not the ability to copy other’s thoughts and ideas.

Grading Scale:

Please review the plus/minus grading scale on Western on-line. It is also important to note that any unexcused missed assessment, the student will be able to retake the assessment, but only 85% of the score will count.

Attention Education Majors:

The changes within the Illinois State Teaching License requirements, students are required to receive a grade of a "C-" or better in this course in order to meet state requirements. With the university's +/- grading system, receiving a grade below a "C-" will require you to retake this course or find a substitute course to meet School of Agriculture graduation requirements.

In case we revert back to remote learning: My expectations are that they continue to meet remotely at the scheduled time and days of this course. I expect you to login at the designated time and days with your video on and are dressed appropriately, like you would, if you were attending class. If you are presenting that day, dress in a professional manner (polo and dress pants, no jeans)

Assignments: (All assignments put in your individual shared drive)

Learning Objectives (60 pts): Write 20 learning objectives containing the task, condition, and criteria. There will be 10 cognitive and 10 psychomotor objectives.

Learning Assessment (100 pts): A learning assessment will be constructed that represents a variety of methods (T/F, multiple choice, matching, essay, etc). Classroom handouts will be the criteria used to assess the assignment.

Incentive Grant (50 pts): Student will fill in activities associated with the Illinois ISBE incentive grant for agricultural education teachers.

Lesson Plans (50 pts each / 150 pts total): 2 lessons using the FB Ag Mags, 3rd & 5th lesson plans will be assigned, plus one green book lesson plan

Reflection Papers (50 pts each / 150 pts total): A reflection paper will be written after each lesson plan presented. Criteria used Principles of Teaching & Learning.
