As we near the end of our school year we wanted to be certain to thank all of our parents for their support and commitment to our center. We have truly enjoyed working with such an awesome group of students! We are planning to enjoy the beautiful weather the last few weeks of our semester, so please be certain to send extra clothes for your little ones. The sand and water play are so much fun especially during the warmer temperatures. Thank you for your help and cooperation in this area.
