POLICY FOR LATE STUDENT TEACHING APPLICATIONS

Candidates in the Western Illinois University Teacher Education Program (TEP) are required to file a student teaching application one year in advance of the student teaching semester. Applications are distributed at meetings held each semester (typically September and February), and a deadline date is established for those students planning to student teach the next academic year. This deadline date allows the Office of Teacher Education to finalize staffing needs and to begin articulation with public school personnel for quality student teaching sites.

Candidates must be fully accepted into TEP before student teaching applications will be accepted. Specific requirements for admission to TEP are delineated in the WIU Teacher Education Program General Handbook which is available on the website at <http://www.wiu.edu/coehs/teacher/>.

Candidates who fail to submit a student teaching application during the published deadline date may appeal to the Selection, Retention, and Appeals Committee for approval to submit a late application. However, candidates are reminded that committee approval may only be granted to those demonstrating a valid case for exceptionality. Appeal forms are available in the Office of Teacher Education, Horrabin Hall 40, the QC Advising Center, or online at www.wiu.edu/cpep. Appeals should be made no later than tenth day of classes the semester preceding the student teaching semester.

PARA STUDENT TEACHING PROGRAM FACT FINDER

The following information may be helpful in addressing specific questions related to the student teaching experience.

APPLICATION: Application to student teach must be made one year in advance of the student teaching semester. If you are uncertain about your eligibility for a specific semester, please contact your education advisor to review your academic plans.

Each candidate is responsible for submitting the student teaching application to their teacher education advisor on or before the published deadline date.

APPLICATION CHANGES: Once your student teaching application has been submitted, do not expect to change your first-choice region selection or the preferred grade level. We will have started the initial phase of site selection, and last-minute changes can circumvent our best efforts to obtain quality school settings.

BACKGROUND INVESTIGATION: All student teacher candidates must complete a background investigation the semester prior to student teaching.

CENTER for CAREER PREPARATION AND EMPLOYER ENGAGEMENT Visit the Center in the lower Level of Memorial Hall or on-line at careers@wiu.edu to get help in revising your resume, cover letter, and other professional documents including professional portfolios. The Center also conducts mock interviews to enhance your interviewing skills and identify your strengths and weaknesses in that setting. The Handshake system (<https://wiu.joinhandshake.com/login>) allows you to upload your resume and search for available teaching positions. To make an appointment, please contact their office at (309) 298-1838.

CHANGE IN STATUS: If you move to a different address, please notify the Coordinator of University Field and Clinical Experiences at (309)298-1281 (this includes your new residence each semester, prior to the student teaching semester). Oftentimes, supervisors of student teachers will direct this department to contact a candidate to set up a scheduled interview with a prospective mentor teacher and/or building administrator. Also, notify the Office of Teacher Education at (309)298-2117 if you drop out of the WIU Teacher Education Program. This notification will allow the field-based supervision specialists to be alerted well in advance of the start date for student teaching.

If you are not going to be enrolled in courses at WIU the semester prior to student teaching, please inform the Coordinator of University Field and Clinical Experiences at (309)298-1281.

CONTENT EXAM: By State law all teacher education candidates must pass the applicable content/subject matter exam(s) prior to student teaching

COURSE WORK WHILE STUDENT TEACHING: All program course work must be completed prior to student teaching. Candidates are prohibited from taking courses while student teaching.

ELL MODULES: All teacher education candidates must pass the English Language Learners (ELL) modules prior to being accepted into the Teacher Education program. The assessment is focused on gaining an understanding of basic ELL terms and acronyms through multiple choice and true/false questions. <http://www.wiu.edu/ELL>. If you have questions, please contact the Office of Teacher Education, Horrabin Hall 40, phone: (309)298-2117.

E-MAIL: You must utilize your WIU e-mail address for all University-related correspondence. This is the only e-mail address we will use in sending information concerning WIU business. Activate your WIU e-mail by going to www.wiu.edu/uTech. You may also contact University Computer Support Services in Stipes Hall, Room 126, (309)298-2704.

GRADING: All student teaching courses are graded S/U only.

HOMETOWN: If your hometown falls within the regions served by WIU, candidates may opt to reside at home during the student teaching semester. However, if this is not the case, candidates must be prepared to plan finances and secure temporary housing in the region.

HOUSING: Unless you are assigned within commuting distance of the WIU campus, you are expected to reside in an off-campus community for your student teaching experience. For those candidates approved to student teach in and around the Macomb region, the University Housing and Dining Services Office makes available information about contracts and other regulations involving residence halls and off-campus housing.

While student teaching applications are due one year in advance of student teaching, all candidates are instructed not to reduce their flexibility by signing rigid housing leases in the Macomb, Quad Cities, or surrounding areas.

LICENSURE: Candidates with questions regarding any aspect of the teacher licensure process should contact the WIU Licensure Office, Horrabin Hall 40, or telephone (309)298-2117. Instructions regarding the licensure application process will be sent via email during the student teaching semester.

MANDATED REPORTER: All teacher education candidates are required to complete the online Mandated Reporter training (allow 60-90 minutes). <https://www.dcfstraining.org/manrep/index.jsp>. A copy of the certificate along with the mandated reporter status form <http://www.illinois.gov/dcf/aboutus/notices/Documents/cants22.pdf> should be submitted with the student teaching and graduation application materials to the Office of Teacher Education.

ORIENTATION: Prospective student teachers are required to attend a student teaching orientation meeting the semester prior to student teaching. Notification will be sent to you in advance of the meeting time. The primary focus of the orientation meeting is to have you meet the Field Supervisor responsible for placing and supervising you during the student teaching semester. The Coordinator of Field & Clinical Experiences will outline all professional expectations for student teaching and will answer any questions you may have about the experience. In addition, you should plan to attend individual area seminars as well as appropriate workshops conducted in the region where you are assigned. Your University Supervisor will inform you about these events.

PHYSICAL FITNESS REQUIREMENT: Illinois School code identifies the need for new employees, including student teachers, to provide evidence of physical fitness to perform the duties assigned and freedom from communicable disease. It will be your personal responsibility to comply with the Illinois School Code physical exam requirement if requested by a hosting school district during your student teaching assignment.

REGISTRATION: The Office of Teacher Education will register all candidates for student teaching. Candidates must be officially registered with the University prior to beginning the student teaching assignment. Candidates should strive to be cleared of all registration encumbrances by **April 1** for fall student teaching and **November 1** for spring student teaching. Contact the Office of Teacher Education at (309)298-2117 if this is not possible.

STUDENT TEACHING: The academic semester of student teaching is a full-time commitment for a minimum of sixteen full weeks (you will pay for 12 semester hours), depending on the requirement mandated by specific department and licensure requirements.

SUMMER STUDENT TEACHING: There is no provision for summer student teaching at WIU.
