

## The Library Atrium Society

The Library Atrium Society is the catalyst for annual giving for the Western Illinois University Libraries. The gifts generated each year through membership in the Library Atrium Society support the University Libraries' collections and services through established funds and endowments.

*Members receive all benefits up to and including their donation level.*

Membership is based on annual giving.

*"Libraries are not made; they grow."*

*-Augustine Birrell*

**HELP US GROW**

As a member of the Library Atrium Society, you support our role as the University gateway for information and play an integral part in the life and learning of our University communities. Our mission is to engage

with a community of individuals dedicated to learning, who will have a profound and positive impact on our changing world through the interaction of instruction, research, and public service. We support the education, research and information needs of the students, faculty, administration, staff, and people of the region by making our rich collection and information services available anytime, anywhere.

Thank you for believing that the University Libraries play an integral part in each student's learning experience. With your annual membership, we can continue to improve for our current students and for generations to come.

Sincerely,  
 Dr. Michael Lorenzen  
 Dean of University Libraries

For more information on giving to University Libraries contact Suzanne Woodward, (309) 298-2356.
