PRESIDENT.

PRESIDENTS' HISTORICAL FILES, 1906-1993.

31 cubic feet (31 boxes)

Accession numbers A97-8, A89-56.

Historical reference files from the President's office, mainly dealing with State of Illinois higher education governing bodies. The collection includes materials from the Illinois Board of Higher Education (IBHE) and the Board of Governors of State Colleges and Universities (BOG); as well as WIU reports to the Illinois Teachers College Board and the Board of Governors, and some materials relating to WIU's Faculty Senate. The IBHE was created in 1961 to coordinate both public and private colleges and universities in Illinois. The IBHE was made responsible for planning and policy development, including the creation of a master plan; budgetary oversight; and approval of new academic programs. The BOG replaced the Illinois Teachers College Board in 1965 as governing body of all state-funded colleges and universities in Illinois and was governed by the IBHE. It was dissolved in 1996.

IBHE materials include minutes of Retirement System board meetings, 1941-1981, arranged chronologically; long range planning and master plan reports and requests from the 1960s and 1970s, arranged roughly chronologically; and IBHE meeting minutes, 1974-1983, arranged chronologically. BOG materials include BOG Legal Counsel reports, 1967-1986, in reverse chronological order; Cooperative Computer Center reports, 1975-1979, in reverse chronological order; BOG policies and regulations, 1976-1977; University Board Reports to the BOG from Chicago State University, Eastern Illinois University, Governors State University, and Northeastern Illinois University, dating from 1973-1983; meeting minutes of Presidents/Chancellors and the BOG Executive Director from 1970-1995, arranged chronologically; reports of the Executive Officer/Chancellor to the State Teachers Board/Board of Governors, 1955-1991, arranged chronologically; and BOG Proceedings, 1974-1991, arranged chronologically. WIU Board Reports include reports to the Teachers College Board, 1906-1965; and reports to the BOG, 1965-1992. WIU Faculty Senate materials consist of agendas, resolutions, and meeting minutes 1974-1982, arranged chronologically.

Most materials are in their original binders; some have been removed and placed in folders for preservation purposes.

Related materials can be found in the Presidential Correspondence files.
