Subject: Negotiations Update: Mediation Update
Date: December 1, 2017

Mediation sessions are continuing, with the third session occurring on Nov. 27. Upcoming sessions are scheduled for Dec. 4 and Dec. 18. Additional sessions may be scheduled if necessary following the holiday break. We look forward to continued positive discussions. While mediation rules prohibit the public release of the details regarding the ongoing sessions, a brief update, minus specific details, will be provided by Provost Neumann to the Board of Trustees at the Dec. 15 Board meeting. The full Board agenda can be found at wiu.edu/bot.
