Subject: Mediation/Negotiations Update - Additional Mediation Sessions Planned

We had a lengthy and productive session on Feb. 15, and we appreciate the constructive dialogue taking place, as well as the commitment to the mediation process. We are optimistic that mediation will lead to an agreement.

Our next mediation session is set for Wednesday, Feb. 28. At the Feb. 15 meeting, the negotiation teams agreed to schedule additional mediation sessions for the month of March.

The University will continue in its commitment to work together to reach an equitable across-the-board agreement.
