MARCH 29, 2018**

IN WIU-QC'S RIVERFRONT HALL 103/104

**THE SOCIAL ENTREPRENEURSHIP SALON
EXPLORES...**

ASSISTED LIVING FOR SENIORS

A panel discussion on the topic of how we as a society are addressing the issue of supporting and caring for our senior citizens as they approach the end of life. Gradually, a new concept of "assisted living", developed by social entrepreneurs, has replaced the traditional concept of "nursing homes" as the preferred solution. Experts and practitioners in the field will discuss how this new model has impacted the quality of life for QC seniors.
