

## WHO CAN JOIN?

We welcome anyone with an interest in eSports, regardless of student status or age.

## BENEFITS AND OPPORTUNITIES

eSports gaming helps develop/practice necessary skills for lucrative careers - teamwork, strategic thinking, coordination, multitasking, memory, focus, and communication.

Meet with other gamers, analyze game footage and practice sessions, share experiences, give advice, and discuss best practices focused on what each player—and the team as a whole—can do to help each other improve.

# ABOUT US

Founded in 2017, WIU-QC eSports was one of the first eSports student organizations in the country.

The team has competed in local and regional competitions since its inception including both online and in-person competitions.

WIU-QC eSports includes both competitive teams and casual game nights, allowing video games of all interests and skill sets to find their niche.
