Agenda: The Krannert HR Case Competition is coming up on November 7th and 8th at Purdue University. At least five people expressed interest in going to this. SHRM is trying to plan an end of semester celebration at the Blackhawk Bowling Lounge. This is going to be on November 30th from 6-8 pm. SHRM is also thinking about competing against other student organizations at the Blackhawk Bowling Lounge or have a competition at an Escape Room, but a vote was called to wait until next semester so there will be more time to plan. There are 3 t-shirt designs being offered for SHRM members. A movement was made to allow the SHRM officers take care of the t-shirts. A question was asked about ordering different t-shirts with sleeve lengths. There will be a vote on the next attendance sheet for short or long sleeves. A vote was taken to approve colored baseball sleeves.
