Western Illinois University has earned the distinction as a "Best for Vets College" by Military Times EDGE magazine and ranks in the top 20 percent of all colleges, universities and trade schools serving their veterans and service members. Our designation as a Military Friendly School is clearly evidenced by one of the first dedicated resource centers in the State of Illinois specifically designed to meet the needs of our service men and women.

The Veterans Resource Center is committed to assisting those who have served or are currently serving in the U.S. military, and their family members. In collaboration with an array of University departments and community organizations, the center provides coordinated services and resources in a one-stop location to ensure that all veterans and service members are afforded the greatest opportunities for success.

Our service men and women receive individualized assistance in completing request forms such as educational and military transcripts; and applications for the G.I. Bill, Illinois Veterans Grant, Illinois National Guard Grant, State of Illinois MIA/POW Scholarship, Tuition Assistance, and Federal Student Aid programs. Additional services may include help with periods of military activation and deployment; obtaining appropriate housing accommodations; requesting military records; and acquiring community living information, outreach services and health benefits.
