An Illinois Distinguished Agency
The Government Finance Officer Association of the United States and Canada (GFOA) presented an award for Distinguished Budget Presentation to the Elmhurst Park District for its annual budget for fiscal year beginning January 1, 2008. To receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communications device.

The award is valid for a period of one year only. Based on GFOA’s criteria, the budget continues to conform to program requirements, and we will submit it to GFOA to determine its eligibility for the award in 2009.
